

BoiKal Logo Presentation

This design captures the essence of BoiKal through three core elements: Book, Time, and Islam. I have created a unique visual identity that balances symbolism with clean design. The logo features a combination mark style with a monochromatic harmony, ensuring both versatility and elegance across different mediums.

Overall Design Composition

Book Shape

The logo features 'BoiKal' integrated within a stylized open book shape. This directly addresses the 'Book' aspect.

Minaret Element

A simplified mosque minaret represents the 'Islamic value'. It adds heritage and cultural significance.

Clock Integration

The letter 'o' in 'BoiKal' incorporates a subtle clock face. This visually represents the 'Time' aspect.

Symbolism: The Open Book

Knowledge & Wisdom

The open book symbolizes knowledge, learning, and wisdom. It directly reflects the 'Boi' (Book) meaning in the brand name.

Accessibility

The open posture suggests accessibility and invitation to learn. It represents the unfolding of knowledge over time.

Foundation

As the base element, the book serves as the foundation for the other symbolic elements.

Symbolism: Islam

Minaret Design

The minaret is a recognizable architectural feature of mosques. It represents faith, spirituality, and tradition.

Symbolic Placement

Positioning atop the book symbolizes Islamic principles guiding knowledge and learning.

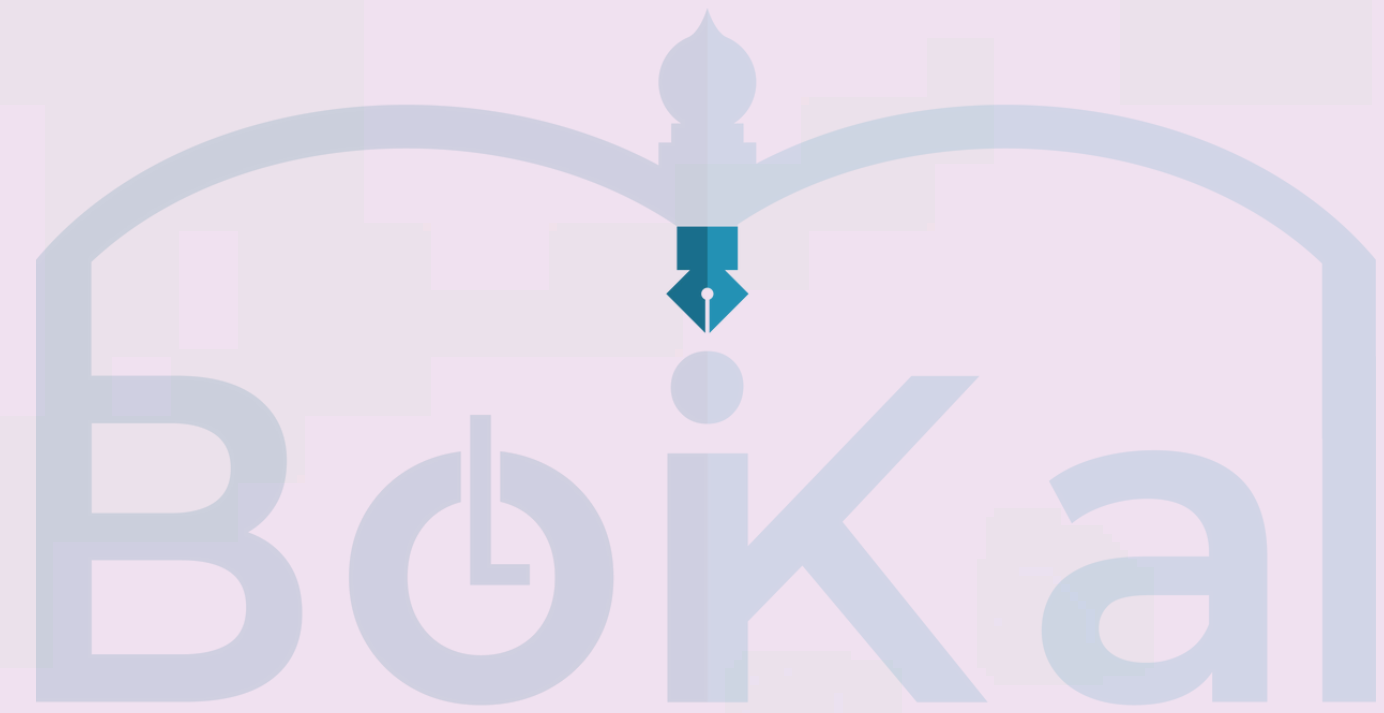

Symbolism: The Pen Nib

Pen Nib

Positioned below the minaret, the pen nib symbolizes the active role of spreading Islamic knowledge through writing and scholarship.

Symbolism: Time Element

1

Clock Integration

A clock face within the letter 'o' represents the 'Time' aspect of BoiKal.

2

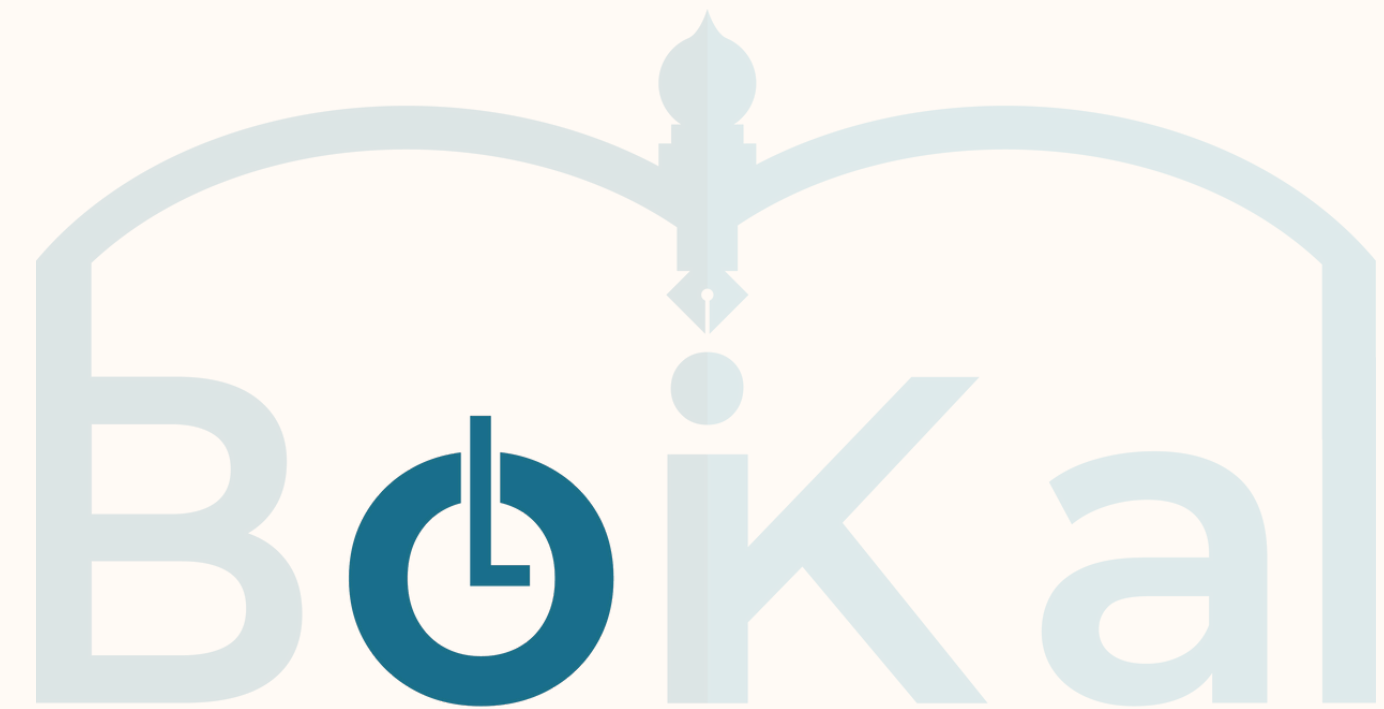

Passage of Time

Symbolizes the passage of time and the relevance of knowledge across ages.

3

Subtle Design

Creates a clever visual cue without cluttering the overall design.

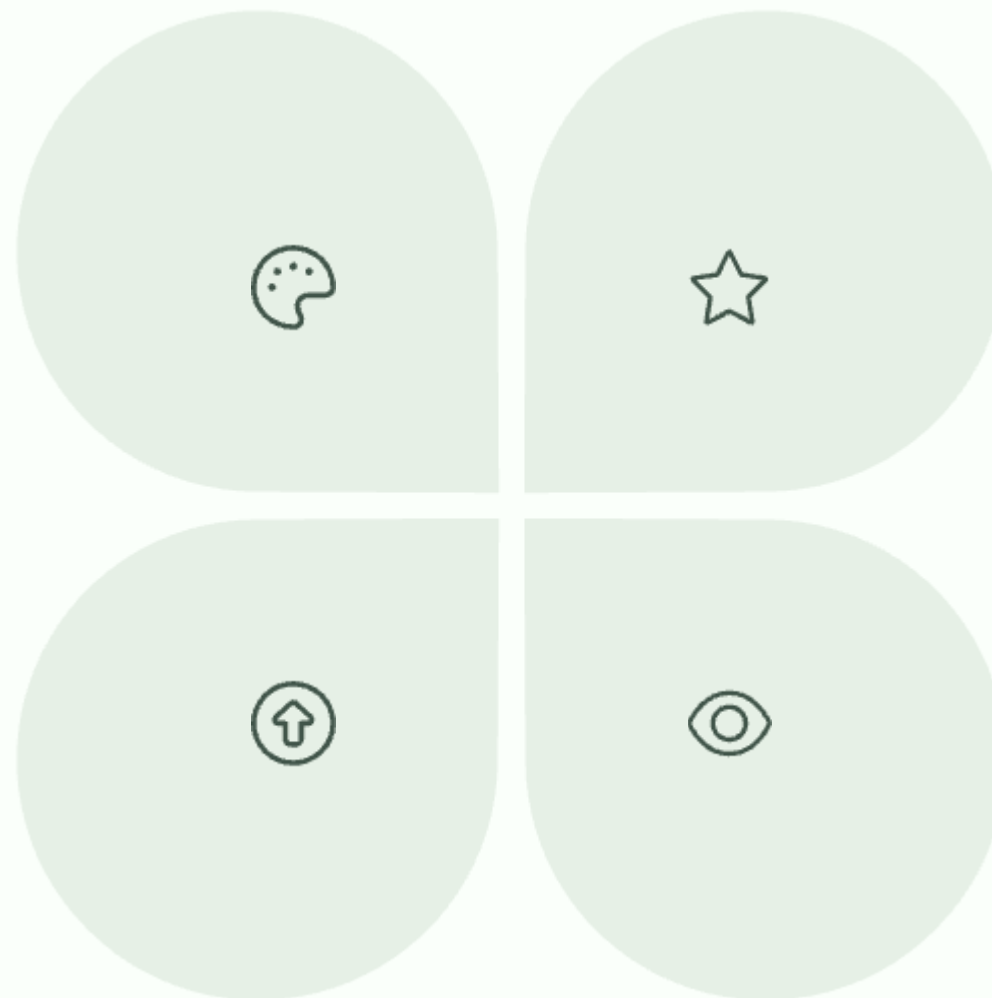

Monochromatic Color Harmony

Visual Cohesion

Creates unity and harmony within the logo.
Makes it feel clean and professional.

Versatility

Adapts well to various backgrounds and applications (print, digital, different surfaces).

Sophistication

Conveys sophistication, elegance, and refined simplicity.

Focus on Form

Draws attention to shape, symbolism, and typography. Ensures the core message remains prominent.

Brand Impression & Applications

Stationery

Clean design works well on business cards and letterheads. Creates professional impression.

Digital Presence

Logo maintains clarity across digital platforms. Scales well for various screen sizes.

Physical Branding

Strong visibility for physical locations. Creates memorable impression for visitors.

Conclusion & Next Steps

Brand Foundation

This logo effectively captures BoiKal's essence. It represents core values of Book, Time, and Islam.

Feedback Integration

I welcome your thoughts and questions. Your input will help refine the final design.

Implementation

Once approved, i will prepare files for various applications. I will provide guidelines for consistent usage.
